COAST MARINE SALES

REPRESENTING BOHAMET - GULF COAST

BOHAMET

WEATHERTIGHT · WATERTIGHT · SPRAYTIGHT · FIRE-RATED

One door range for weathertight, watertight, spraytight and fire-rated openings

Bohamet has a catalogued range of hinged and sliding ship doors in steel, stainless steel, aluminum and GRP, with weathertight, watertight, spraytight, internal and fire-rated versions. That lets buyers match each opening, from the engine room to the bridge, to a known model, and Bohamet can build fully customized doors when the standard range doesn't fit.

KEY FEATURES

- Weathertight, watertight, spraytight and non-classified doors
- Fire-rated doors from A0 to A60
- Steel (ST), stainless steel (SS), aluminum (AL) or GRP
- Single- and double-leaf hinged doors, plus a sliding spraytight model
- Wide choice of designs, sealing standards, fire classifications, finishes, fittings and accessories
- Special doors combining several functions, made to order
- Used for access to the bridge, engine room, cargo holds and living quarters

WATERTIGHT DOORS

Model	Rating	Leaves	Material	Bolts
BOH.0245	up to 0.7 bar	2	ST	32
BOH.0340	up to 0.4 bar	1	ST, SS, AL	8, 10
BOH.0345	up to 1.5 bar	1	ST	8, 10, 12, 14
