Deck hatches with the locking and lift-assist your crew needs

Bohamet ship hatches close deck and hull openings over cargo holds, machinery spaces and other below-deck areas. A broad model range lets you choose rectangular or round hatches, six locking styles and several lift-assist options, with weathertight, watertight and fire-rated versions on selected models.

KEY FEATURES

- Watertight, weathertight and non-watertight hatches
- Rectangular and round versions
- Six locking families: central locking, flush central locking, DIN handle, flush DIN handle, butterfly screw, basket weave screw
- Lift assist: counterweight, torsion spring or gas spring
- Flush and internal-flush hinge designs, plus swivel hatches with lifting screw
- Fire class A0 and A60 versions on selected models

APPLICATIONS

- Access to cargo holds and machinery spaces (engine room, boiler room)
- Ventilation and fresh air to interior spaces
- Emergency exits
- Access to storage compartments and voids (non-watertight)
