REPRESENTING IMS DOORS - GULF COAST

IMS

INSPECTION · TRAINING · UPGRADES · GENUINE SPARE PARTS

Lifecycle service that keeps watertight doors compliant

Watertight doors are part of a vessel's certified safety system and must be inspected regularly to stay compliant with SOLAS and class requirements. IMS Lifecycle Service covers IMS doors from installation through decades of operation, with service facilities in Norway, Germany, Italy, the US and Singapore and a large stock of genuine spare parts.

LIFECYCLE SERVICES

- Installation supervision
- Pre-commissioning
- Crew training courses on safe operation
- Annual and 5-year inspections
- Maintenance programs for fleet operators
- Fully SOLAS-compliant upgrades of watertight doors
- Technical, sales and service bulletins and HSE safety alerts
- 24-hour technical service line

SERVICE NETWORK

- IMS service facilities in Norway, Germany, Italy, the US and Singapore; worldwide operation
- Experienced technical staff, with performance backed by the IMS quality system
- Traceability back through IMS's in-house production records

SPARE PARTS

- Large stock of in-house, genuine spare parts for most IMS doors
- Target: delivery worldwide within 48 hours
- Custom spare-part kits tailored to your maintenance plan
- Upgrade and improvement kits (for example accumulator refurbishment)
- Choice of delivery options; IMS customer portal for ordering

HAVE READY FOR A PARTS OR SERVICE REQUEST

Company	Your name, email and company
Vessel	Vessel name, IMO number and vessel number
Details	What you need (parts, inspection, service), with any attachments

These are the details IMS asks for in its spare-parts and service request forms. Contact Coast Marine Sales for IMS parts and service requests on the Gulf Coast.

REQUEST A QUOTE

Send drawings, quantities and class requirements. We'll handle specification and follow-through with IMS Doors.
